

USMC CA

Col Leonard J. DeFrancisci
14 November 2014

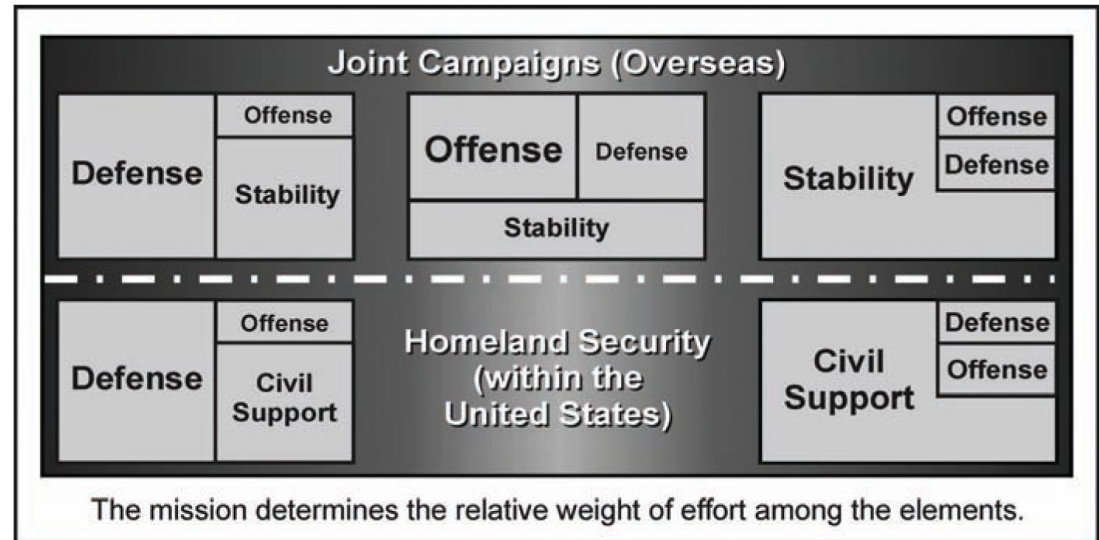

Full Spectrum Operations

- Offensive Ops
- Defensive Ops
- Stability Ops

Underpinned by

- MAGTF Ops
- Expeditionary Ops (Amphibious Ops)

FM 3-0

Stability Ops

If Marines respond, there's chaos (or likely to be soon)

- Create order from disorder
- Stabilize after kinetic ops IOT transition
- Stability ops is not the same as occupation

Marine Corps CA

- Generalists
- Integrate with MAGTF
- Likely to deploy as G9 vice CAG
- Habitually aligned to supported units
 - Operational reserve
- Growing

Done Well

- Armed Civil Reconnaissance
 - Assessments
 - ASCOPE
 - Atmospheric
 - ID sources of instability
 - Map human terrain
- Minimize Civilian Interference
 - Protect population
 - Provide HA or ensure civilian supply
- Temporary civil management & assistance

Done Well

- Reconstruction
 - Restore essential services
 - Settle battle damage
- Integrate IA & enablers
- Conduct operational culture
 - Well beyond culture 101
 - Every Marine conducts CA

Improve

- Development – let the experts do it
- CIM & Civil IPB
- Specialists

CA Community Considerations

- Joint CIM
- Joint procedure for using money
- Non-lethal targeting (JPEL)
- Getting IA involved early, but plan for it not happening
- Good exercise design
